

130th Place Kennedy Offset

Queens, NY | June 2025

Dear Neighbor:

We would like to inform you of upcoming work in your neighborhood.

Project details:

To allow for significant upgrades to airport infrastructure, National Grid will be relocating our existing utility.

The project began mobilizing to 130th Place at Bergen Road in May. Next, contractors will begin the construction phase of the project. Our work is scheduled to be completed in late November of 2025.

What you may expect during construction:

- Excavation of the roadway, installation of new infrastructure, temporary restoration of the roadway, testing of the new infrastructure, and final restoration of the roadway.
- **Traffic pattern changes.** There will be changes to traffic patterns during work hours, and a flagger will be onsite to assist as necessary. Please be aware of construction traffic signs and cones.
- **For your safety, please do not enter work zones and be mindful of work zones during and after construction.**
- If you have questions or concerns, please visit our website, call or email.

**Smell gas?
Act fast.**

Call **911** or
1-800-490-0045
