

We are upgrading infrastructure to provide better service to your community.

Bedford Avenue Upgrade | June 2025

Dear Neighbor,

We would like to inform you of upcoming work in your neighborhood.

Beginning, **June 2nd**, we will start upgrading existing infrastructure at the corner of Willoughby and Bedford Avenue. This upgrade will allow us to remotely access the infrastructure. The installation of the new RCV (Remote Control Valve) will be completed this Fall.

Please note, there will be no interruption to service for our customers.

What you may expect during construction:

- **Parking.** Parking will be impacted near work zone.
- **Excavations.** Digging within roadway and sidewalk. All excavations will be plated during non-working hours.
- **Traffic Impacts.** Work will be in the sidewalk and roadway with traffic flaggers on site to assist pedestrians and motorists.
- **Safety.** For your safety, please do not enter work zones and be mindful of work zones during and after hours.
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call, or email our team.
