Bedford Avenue Upgrade – Tie In/Crane On-Site August 2025

Dear Neighbor,

As part of the ongoing work in your area, next week there will be days with extended work hours, including overnight work, **Monday, August 18th to Monday, August 25th**. You will see changes to traffic patterns, reduced parking on Bedford Avenue and the surrounding cross streets. During this phase of construction, you will notice an increase in noise generated from the associated equipment and possible extended working hours. Our crew will have flaggers on site to direct traffic as necessary.

Please also be advised, on **Wednesday, August 20th – Friday, August 22nd**, a large crane will be on site. This work is an important step towards completing the upgrades in your neighborhood.

As always, our crews will work diligently to minimize any impacts to the community. **For your safety, please do not enter work zones and be mindful of work zones during and after construction hours.**

Thank you for your patience and understanding as we work to complete this important infrastructure project in your area. For questions or more information please contact us below.
