這是一個重要的通知。請翻譯一下。

We are upgrading infrastructure to provide better service to your community.

Dear neighbor,

As you may already be aware, we have been working to complete a project on Narrows Road N to improve the safety and reliability of the system and service to our customers throughout the community.

Construction activities will be paused from 12/15/2023 to 01/01/2024.

Crews will prepare the site and secure materials during this time. During the pause, you can still contact outreach team at, 718-749-9524, Box.SIprojects@nationalgrid.com, and find more information about our work on the dedicated project website: www.ngrid.com/narrowsroad.

Thank you for your patience and understanding as we perform these important upgrades in your neighborhood. For your safety, please stay out of work zones and be mindful of signs around the work area.

We hope you have a happy and safe holiday season with family and friends.

***Schedule is subject to change due to the complexity of outdoor construction and specific project activities may require additional work on weekends and/or extended work hours.**
