

Northwest Nassau Integrity Project

Nassau County, NY | Summer 2025

Dear Neighbor,

We would like to update you regarding the ongoing work in your neighborhood.

Since 2017, National Grid has made significant upgrades to our infrastructure system through the Northwest Nassau Integrity Project. **This project will increase reliability, enhance safety and operational flexibility, and improve service throughout Long Island.**

The current phase of the project on Powerhouse Road in Roslyn Heights began in 2024 and will eventually tie into existing infrastructure located at the Nassau/Queens Border.

Please note: there will be no interruption to service for our customers.

What to expect during construction:

Excavation of the roadway, **installation** of new infrastructure, **temporary restoration** of the roadway, **testing** of the new infrastructure, and **final restoration** of the roadway.

Traffic pattern changes. There will be changes to traffic patterns during work hours, and a flagger will be onsite to assist as necessary. Please be aware of construction traffic signs and cones.

Street plates. The project site will be secured and plated during non-work hours.

Please note that after temporary restoration, the road surface may be rough.

For your safety, please do not enter work zones and be mindful of work zones during and after construction.

Direct contact with our Outreach Team. If you have questions or concerns, please call or email our team. You can also visit our project website to see the project map, construction updates, and more.

Quick Project Facts:

What: New infrastructure installation through Lake Success

Where: Horace Harding Boulevard / Bates Road in Lake Success

When: July 2025 – Fall 2026

Hours: Mon. to Fri. 8 a.m. – 4 p.m.

Due to the complexities of outdoor construction, schedule subject to change.

Please note: Every National Grid employee carries a photo ID card, and any contractor doing work for us is also required to carry ID.
