

Rockville Centre Upgrade Project

Rockville Centre, NY | February 2024

Dear Neighbor,

We would like to inform you of upcoming work in your neighborhood. Energy plays a critical role in our day-to-day lives and helps ensure the well-being of our community. That's why we're investing in infrastructure upgrades in your area.

Project details:

We will be upgrading three existing stations within National Grid's facility at the intersection of Merrick Road and Ocean Avenue. These important upgrades to our infrastructure will help prevent the potential for emergencies or shutoffs during winter heating season. **There will be no interruption of service for National Grid customers.**

What to expect during construction:

- **Construction** including excavations, use of vacuum trucks, and crane lifts within National Grid's facility at Merrick Road and Ocean Avenue.
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call, or email our team.
