

Winter 2023

weconnect

Energy news for our gas customers
in New York City

Here to help in the new year.

Events of the past few years continue to remind us of the importance of connection — with you, our customer, and the communities we serve, and the need to provide timely information to help you stay safe and manage your energy bill. With that in mind, we're pleased to start the new year with a new look for this quarterly newsletter, and to introduce you to **weconnect+**, its digital counterpart, offering expanded energy news, energy-saving ideas and more. You'll find it by scanning the QR code below.

Whether you own or rent your home or run a business, we're doing everything we can to help you with the challenge of managing higher global energy costs. We recently committed \$17 million to local community partners who will provide assistance to our customers in need across our service areas. And through our **Winter Customer Savings Initiative** we'll continue to offer ways to manage your bill, save energy and find assistance during the colder days ahead. Please visit ngrid.com/heretohelp for details.

Explore our new

weconnect+

digital newsletter — packed with customer news and information, energy efficiency tips, videos and more! Scan the QR code to check it out.

We're here to help keep you safe.

Gas Emergency:

911 or 1-718-643-4050
24 hours a day, 7 days a week

- ▶ Smell gas? Act fast.

More Gas Safety Tips:

- ▶ Keep meters clear. Falling ice and heavy snow from a roof can damage meters or service connections, resulting in a gas leak.
- ▶ Never hang items from gas pipes. Doing so can weaken pipes and cause a hazard.
- ▶ Have your dryer's gas line and connection inspected by a professional annually to ensure it is operating safely.

Customer Service:

1-718-643-4050

- ▶ Deaf, hard of hearing and speech-impaired customers looking for assistance can call **711** on a compatible TTY device. Provide our customer service number to connect with us.
- ▶ Call us to designate a relative, trusted friend or an agency to receive copies of notices should your account become overdue.

Find assistance

The **Home Energy Assistance Program (HEAP)** helps income-eligible customers with home heating bills. Learn more at <https://otda.ny.gov/programs/heap> or call your local Human Resource Administration (HRA) or the NYC HEAP Infoline at **1-800-692-0557**.

Enrollment in our **Energy Affordability Program (EAP)**, which provides a monthly bill discount, is automatic with receipt of a HEAP payment. The EAP discount continues for those who apply for HEAP annually. To learn more visit ngrid.com/eap or call **1-718-403-2216**.

Neighborhood Heating Fund is a National Grid program administered by HeartShare Human Services of NY to help qualified households meet home heating needs. The program opens in February. Customers may apply once per year after they have received all HEAP assistance. For information on how to apply, call **1-718-422-4207**.

Prevent cold stress

Older people, infants and people with chronic illness can be vulnerable to cold stress, even indoors.

Seasonal savings tip

High-efficiency boilers and furnaces can save up to 30% on heating costs, and the newest gas water heaters can save up to 50% more energy than traditional, non-energy efficient models.

► ngrid.com/save

To save energy – and prevent burns – set your water heater temperature to 120 degrees F.
